

Healthy Composition Breakthrough*

African Mango

Optimal Body Composition Support*

Helps to:

- Support healthy blood lipid levels*
- Improve lean muscle mass*
- Favorably impact Leptin sensitivity

African Mango seed extract has beneficial effects on several key metabolic parameters related to optimal body composition.* It has been shown to help regulate adipogenesis, the process of forming fat cells in the body.

- African Mango (gluten free capsules) - 150 mg per cap
- hc3™ Trim Active Complex - with African Mango
